## MEET THE OWNER:

Dr. Brian Fife is a native of Las Vegas, Nevada. He is the Founder and Clinic Director of Advanced Chiropractic Specialists. He received his undergraduate training while serving in the United States Army at the University of Maryland and later at the University of Nevada, Las Vegas (UNLV). He attended the prestigious Los Angeles College of Chiropractic, where he graduated with high honors (Magna Cum Laude) in 1994. He was honored for his academic achievement with being listed on his college's Dean's List, the National Dean's List, and admitted to the Delta Sigma Honorary Scholastic Society for the Healing Arts.

Dr. Fife has 30 years' experience treating motor vehicle injuries, sports/recreational injuries, and work-related injuries. He has taken numerous post-graduate medical courses in accident reconstruction, evaluation and management of traumatically-induced injuries, and interpreting MRIs. He continues to take medical and chiropractic post-graduate courses to stay up to date on the latest developments in the chiropractic treatment of motor vehicle injuries and other injuries.

In 1998, he was designated as an Independent Chiropractic Examiner by the American Board of Independent Medical Examiners and has been designated by the State of Nevada as a Permanent Disability Examiner. He has performed well over 2,000 disability examinations. Dr. Fife performs Independent Medical/Chiropractic Examinations and provides second opinions relating to the treatment of injured patients.

He believes everyone is entitled to the absolute best care possible. He constantly strives to serve his patients to the fullest of his abilities providing unsurpassed care, which is cost-effective and compassionate.

Dr. Fife believes in giving back to his community and served as a little league and junior/senior league baseball coach for 17 years and as a scoutmaster/commissioner in the Boy Scouts for 9 years. He is an avid outdoorsman and can often be seen hiking, backpacking, and biking in the nearby desert and mountains.
